A 22012 1634 3961-832 03297740490	EPD number
961-832 f.t.s. folding tables	Declared product
t.s. Folding table rectangular	
This declaration was compiled according to ISO 14025 and EN 15804 type B. It escribes the environmental rating of the listed product and gives the possibility of compare it with other similar products.	Purpose
The content of this declaration is based on the results of the operational life cycle ssessment, according to EN ISO 14040/44 of the fiscal year 2022/23. The used eneric data comes from acknowledged life cycle management databases and urrent EPD's of the declaration holders upstream products and are calculated sing the CML method.  ttps://www.wiesner-hager.com/en/about-us/sustainability/life-cycle-assessment/	Data origin
The procedure to compile this declaration was audited on 14 th September 2023 by TÜV Austria GmbH.	Auditing
DiplIng. Dr. Jürgen Hain, TÜV Austria GmbH, Wien	Auditor
By means of the certificate TA 22012 1634 from 26 th September 2023, TÜV austria GmbH authorizes the declaration holder to generate EPD type III.	Certification
The certificate is valid until 30 th September 2026. The compliance of the	Validity
equirements will be ensured by annual, internal and external evaluations.	
Gerhard Steigthaler, Master of Sciene, environmental engineer	Issuer

The general information of the LCA refers to whole lifecycle, beginning with the raw material make, the manufacturing of the product until the disposal of <i>one</i> unit of the product with an anticipated lifespan of 15 years. But the division of impact factors with the masses of the product allowes also a specific statement in mass.	Functional unit
Table for public areas, acc. to EN 15372 and EN 1730	Application
3961-832 f.t.s. folding tables f.t.s. Folding table rectangular - T-leg base	Identification of product
The convincing features of f.t.s. folding tables are their functionality, robustness and mobility. For example when used in seminar rooms, in canteens and common rooms, or in multifunctional halls. Depending on their application there are various frames available. T-leg tables, for examples, for banquets, training events, and seminars, or four-leg tables, which are particularly suitable for canteens, break rooms and common rooms because of their ample legroom to all sides. A wide range of table sizes permit a customised solution in each and every case.	Description of product

Solvent-based varnis	-	-	-	-

The product is free of halogenated plastics (PVC).

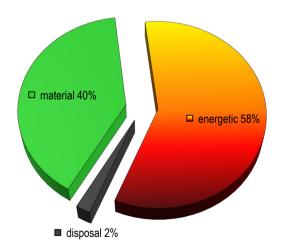

<sup>1</sup> dry matter <sup>2</sup> uncured <sup>3</sup> acc. EG Reg. No 1272/2008

The following certificates are valid only for the mentioned raw-materials but not for the final product:

Decorative chipboard: FSC Standard - certificate SGSCH-COC-110039, licence FSC-C017963

### Recycling rate (EoL)

The chart shows the presently usual recycling rate in Western Europe, based on the used material mix.

The thermal recycling will release energy to the amount of 273 MJ. This is equivalent to 7,6 litre of light fuel oil.

The remaining ash from the incineration will be disposed of in a landfill.
