Environmental Product Declaration

Design: Andreas Krob

Manufacture	Wiesner-Hager Möbel GmbH
Declaration holde	Linzer Straße 22
	A-4950 Altheim
	Tel. 0043 7723 460-0
	http://www.wiesner-hager.com/en/
EPD numbe	TA 22012 1634 3952-832 03297740500
Declared produc	3952-832 p.f.sKlapptische
	p.f.s. Folding table rectangular
Purpos	This declaration was compiled according to ISO 14025 and EN 15804 type B. It
	describes the environmental rating of the listed product and gives the possibility
	to compare it with other similar products.
Data origi	The content of this declaration is based on the results of the operational life cycle
	assessment, according to EN ISO 14040/44 of the fiscal year 2022/23. The used
	generic data comes from acknowledged life cycle management databases and
	current EPD's of the declaration holders upstream products and are calculated
	using the CML method.
	https://www.wiesner-hager.com/en/about-us/sustainability/life-cycle-assessment/
Auditin	The procedure to compile this declaration was audited on 14 th September 2023
	by TÜV Austria GmbH.
Audito	DiplIng. Dr. Jürgen Hain, TÜV Austria GmbH, Wien
Certification	By means of the certificate TA 22012 1634 from 26 th September 2023, TÜV
	Austria GmbH authorizes the declaration holder to generate EPD type III.
	Download certificate
Validit	The certificate is valid until 30 th September 2026. The compliance of the
	requirements will be ensured by annual, internal and external evaluations.
Issue	Gerhard Steigthaler, Master of Sciene, environmental engineer
Date of issu	29. February 2024

folding table says it all: the "progressive folding system" does not require an additional strut, and provides more stability and legroom. The folding function is extremely simple, intuitive and safe. An integrated stacking protection ensures that the table top is not damaged during stacking. A choice of three frame types is available: Premium-quality, slanted, square tubular steel; minimalist, curved, round tubular steel, and a stylish, sleek T-foot frame. The p.f.s. folding table shows its strengths primarily in (large) multi-purpose rooms that undergo a great deal of change. It is therefore ideally suited for the use in congress, seminar or event venues.	product

Powder coatings	Polyester powder lacquer	0,116 kg	0,0%	yes

The product includes 0,0062 kg of PVC.

 $1\,dry$ matter $2\,uncured$ 3 acc. EG Reg. No 1272/2008

The following certificates are valid only for the mentioned raw-materials but not for the final product:

Decorative chipboard: FSC Standard - certificate SGSCH-COC-110039, licence FSC-C017963

Recycling rate (EoL)

The chart shows the presently usual recycling rate in Western Europe, based on the used material mix.

The thermal recycling will release energy to the amount of 316 MJ. This is equivalent to 8,8 litre of light fuel oil.

The remaining ash from the incineration will be disposed of in a landfill.
