m.zone Talk barstool

Le rembourrage confortable ainsi que les lignes simples et harmonieuses inspirent un sentiment de bien-être.

High comfort seating.

The **m.zone Talk** barstool exudes a homely emotionality that contrasts with the technical office world. The round shape of the seat shell is enclosed by a semi-circular backrest. This unit creates a serene, harmonious, soft effect that is self-contained. The generous backrest offers safety and plenty of freedom of movement. It also serves as an armrest. In contrast to the seat shell, the functional frame adopts a minimalist design approach. The **m.zone Talk** barstool blends into any setting and is consequently also very versatile – in combination with high tables in stylish offices as well as in bars, cafeterias and bistros.
