TA 22012 1634 6273-203 03297740440	EPD number
6273-203 pulse - conference chair	Declared product
pulse Lounge chair with four-legged base beech	
This declaration was compiled according to ISO 14025 and EN 15804 type B. It describes the environmental rating of the listed product and gives the possibility to compare it with other similar products.	Purpose
The content of this declaration is based on the results of the operational life cycle assessment, according to EN ISO 14040/44 of the fiscal year 2022/23. The used generic data comes from acknowledged life cycle management databases and current EPD's of the declaration holders upstream products and are calculated using the CML method. https://www.wiesner-hager.com/en/about-us/sustainability/life-cycle-assessment/	Data origin
The procedure to compile this declaration was audited on 14 th September 2023 by TÜV Austria GmbH.	Auditing
DiplIng. Dr. Jürgen Hain, TÜV Austria GmbH, Wien	Auditor
By means of the certificate TA 22012 1634 from 26 th September 2023, TÜV Austria GmbH authorizes the declaration holder to generate EPD type III. Download certificate	Certification
The certificate is valid until 30 th September 2026. The compliance of the	Validity
requirements will be ensured by annual, internal and external evaluations.	
Gerhard Steigthaler, Master of Sciene, environmental engineer	Issuer

The general information of the LCA refers to whole lifecycle, beginning with the raw material make, the manufacturing of the product until the disposal of <i>one</i> unit of the product with an anticipated lifespan of 15 years. But the division of impact factors with the masses of the product allowes also a specific statement in mass.	Functional unit
Seating for public areas, acc. to EN 16139, EN 1022 and EN 1728	Application
6273-203 pulse - conference chair pulse Lounge chair with four-legged base beech, seat shell fully upholstered	Identification of product
The pulse conference chair is a high-class, prestigious and comfortable chair for luxury communication areas. There are four different frame options available for this shell chair: four-star swivel base on glides and with fixed seat height, five-star swivel-base on castors, height-adjustable, or and as lounge chair with four-legged base. These variants are the answer of pulse to the specific requirements on the seating of conference facilities, business lounges, or management offices.	Description of product

Material certificates

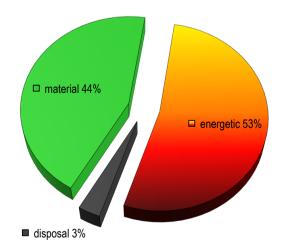

The following certificates are valid only for the mentioned raw-materials but not for the final product:

Laminated wood: FSC Standard - certificate BV-COC-012576, licence FSC-C108331 Chipboards MDF: FSC Standard - certificate TSUD-COC-000079, licence FSC-C011773 Upholstery fabric: Oeko-Tex Standard100 - certificate 073313.O, product class II Upholstery materials: Oeko-Tex Standard100 - certificate AMM 17680, product class I Foam rubber parts: Oeko-Tex Standard100 - certificate 17.0.22215, product class I

Recycling rate (EoL)

The chart shows the presently usual recycling rate in Western Europe, based on the used material mix.

The thermal recycling will release energy to the amount of 128 MJ. This is equivalent to 3,6 litre of light fuel oil.

The remaining ash from the incineration will be disposed of in a landfill.
