pure

pure. Clarity & structure.

The design of the office table range *pure* creates clarity of form, structures the space and provides for a harmonious blend of architecture and furniture. Thanks to its minimalist design and wide choice of specifications, *pure* is ideal for different work settings: from the functional back office to team zones and even prestigious executive offices.

pure.

pure 60 x 30 mm rectangular tubular design creates two different impressions: from the front the desk looks elegant and strong; from the side, in contrast, it appears delicate and graceful.

Optional.

----- = possible position of accessory panel and modesty panel

Height of tables:

Design:

Table top: choice of laminate (MFC) or HPL top with seamless, moisture resistant laser edge (ABS edge), veneers with laminated wood edge, or compact top. Wood surfaces stained.

Frame: tubular steel frame with four-legged base or skid frame, 60/30 mm rectangular tubular design, plastic glides. Continuously adjustable working height 650 to 850 mm. With multifunction crossbar. Metal surfaces powder-coated.

Accessories (optional): cable grommet square or round / cable channel sheet steel, hinged on both sides / CPU holder / cable snake vertical / modesty panel perforated sheet steel.

Accessory panel light (optional): Fabric-covered panel in lightweight construction. Mechanically and thermally bonded polyester fleece (up to 70 % recycled material), suitable for use as a pinboard, and sound-absorbing (acoustic measurement according to ISO 354). Attached to the table top with a metal clamp and handwheel. Height 410 mm (table top edge – top edge accessory panel).

Important note: Cannot be combined with a modesty panel.

Perfect Partners.
